

# BIKE!

## AGAINST WAR

Every day that war continues, bring your bike downtown to join mobile direct actions! Hundreds of bicyclists will occupy streets in the downtown area — we will provide a powerful presence that says **NO to War! No to Oil Dependency! No Business As Usual!**

## BIKES NOT BOMBS

**Every Business Day!**  
**5:00pm**

**Meet at Justin Herman Plaza  
Embarcadero BART**

Bring Your Bike!!!  
Bring the **Shock** Of Smiles  
and the **Awe** Of Democracy!!!

We will be temporarily occupying intersections to block traffic, but we are NOT out to pick a fight. Angry motorists should be dealt with respectfully and diplomatically.

### GET INVOLVED! CHANGE THE WORLD!
