

Let's go to the

Mini Mass!

What the heck is it?

*Drinking and cycling is in no way endorsed by Critical Mass™

mini mass *n.*

- 1: bicycles riding together in a traffic lane, as one vehicle, for safety and company.
- 2: a vision of a world in which public space is transformed to make room for a more human community where people can meet and enjoy each other.
- 3: Its whatever you want it to be!
