

# Friday Night Commute Sing-a-long!

tune: "Wouldn't it be nice" by the Beach Boys

Wouldn't it be nice if we could live here  
make this the kind of place where we belong  
And wouldn't it be nice if all the roadways  
had gardens planted all the way along

I know this could be where we are heading  
you say no way and I say  
hey, *IT'S SPREADING!*

Wouldn't it be nice if we could wake up  
in the morning when we're late for work  
We'd go out in the street and join a party  
instead of rushing round and facing jerks

We're yelling at each other out the window  
when we could talk about  
what we are into

Oh wouldn't it be nice . . .

*Maybe if  
we take our time  
and ride a bike  
it might come true*

*Baby then  
there wouldn't be  
a single thing  
that's stopping you*

*We could be healthy (we could be healthy)  
and then we'd be happy (and then we'd be happy)*

Oh wouldn't it be nice!

You know it seems the more we talk about it  
it makes you wonder how we  
live without it

So let's talk about it

Oh wouldn't it be nice
